

# HELL COMES ON THE WIND

For many of us, the fight for survival is a fight to eat; to sleep in a comfortable bed. But for others it is a fight for life and freedom, a freedom we enjoy today. This story tells of the human side of those we hate and of those we admire. This is a story of the good, the bad and the ugly. This is a story of love, fear, hate, hope and joy. There is intrigue, murder, glory for some and of death for others. For them, Hell really did come on the wind

The personalities may be well known to many and not so well known to others. Each character has a story to tell. You, the reader, will smile, laugh, cry, show anger and disgust. But remember, these were real people. I have brought them back to life. Let them live in your mind. Let them dance and allow them play once more.

FOR THEM, HELL REALLY DID COME ON THE WIND
